Concord Fire Department

Re: Concealed Carry by On-Duty Members

- *Any Member, who elects to carry a personal firearm or weapon onto or in District property, or while conducting District business, must be eligible to do so under and comply with federal and state statutes.
- *The Member is solely responsible for the safe handling and storage of the firearm or weapon at all times.
- *The Member will not leave the firearm or weapon unattended at any time in the station or on the apparatus.
- *Personal firearms or weapons carried by Members while on duty are not to be used under the guise of District business.
- *The Member in possession of the firearm or weapon assumes all risk and liability for any and all injuries or death caused by either the intentional or unintentional discharge of the firearm or use of the weapon, and may face disciplinary action.
- *No Member shall carry any firearm into a location where firearms are prohibited by law.
- *Emergency incident response, incident stabilization, and/or patient care shall not be delayed at any time for the purpose of securing a weapon or firearm carried by a member.
